Kurobuchi, the greatest scenic
site in Sandankyo is a deep pool
filled with dark green water
surrounded by tall standing cliffs.
The red Japanese maple
together with the green pools
makes a beautiful sight in the fall.

The 20m high wall of rock,
narrows to widths of
as little as 2m and towers
over the surrounding
landscape.
Dim and cool even during
the day, this mystical place
will leave you with
a feeling of wonder.
Nidandaki is located in
a secluded area
making it necessary
to take the Sarutobi boat
to get there.Yet the waterfall
is still a spectacular sight.
